Dear Editor,

I thought you might like to learn about the April Fool trick I played on my Mum. I told her there was a big spider in my bedside lamp, and she refused to come into the room. In the end, she plucked up courage to approach the lamp, and saw there was nothing in it. I laughed and shouted; "April Fool!"

JOANNE FORBES-POINTER, Charlton.

*Smart work, that . . . but beware of REVENGE next year! . . Editor.*

Dear Frankie Stein,

I made a model of you recently, but I am sorry to say it has not come alive yet. (Don't tell old Cubey, but I reckon I'm a better professor than him!) Also, give my regards to Evil Eye . . . a fantastic character.

KENNETH THOMSON, Falkirk.

*Duh — bet your model just needs a shock to get it going. Tell you what, show it a picture of Dad! Haw, haw! . . . Frankie.*

Dear Editor,

I think your comic has lots of lovely and interesting stories, and my favourite is Scream Inn. I hope you don't mind me saying so, but I don't think Ghoul Getters Ltd. is very good.

SUSAN WAINWRIGHT, Dudley.

*I don't mind at all, Susan. I believe in readers having their say, and ALL comments are carefully noted . . . Editor.*

# OSSIE

*Hiya, gang! Ossie calling! The first suntan of the summer season has arrived in the office . . . editorial man Allen brought it back with him from the Canary Islands. Wonder if I could manage a "cheep" holiday there?*

Dear Ossie,

My brother buys WHOOPEE! / SHIVER 'n' SHAKE every week, and has never missed an edition. He reads through them every night, and laughs so much that the neighbours are complaining.

RICHARD DOYLE, Tramore.

*Let them read his WHOOPEE!'s, too, then the whole street will be laughing! . . . Ossie.*

Dear Ossie,

Please could you ask the Editor to print a poster of Sweeny Toddler in the comic . . . he is great. I've already got the Frankie Stein picture stuck up beside my bed.

MARK HUMPHREYS, Mount Merrian.

*I'll need to get into the boss's good books first, Mark. Last week he called me into his office and, as usual, I leaned on his desk. Trouble is, I accidentally pressed my hand on his lunchtime hot dog and shot the sausage out of the roll and into his eye! . . . Ossie.*

Dear Ossie,

Once, when my Mum and Dad were out, I stayed downstairs watching T.V. with my big sister. A ghost film had just started when I pretended I was going to bed. But instead, I went to the kitchen, got an ice cube, and crept back to the sitting room. Then, just at a really exciting part in the film, I dropped the ice cube down my sister's back. She gave the loudest scream I've ever heard.

JO WILLIAMS, Brentford.

*Must have been a really spine-chilling moment . . . Ossie.*
